

Amendments to the Drawings:

Please amend FIG. 3 to include representations of plate-type heaters, as shown on the attached drawing sheet which is labeled "Replacement Sheet". Amended FIG. 3 differs from the previous version of FIG. 3 by the addition of three rectangular shapes labeled 13a, 13b, and 13c, which shapes schematically represent plate-type heaters as described in the specification. Reference numerals 20 and 30 have been moved slightly and their lead lines extended to accommodate the new shapes. No new matter has been added.
